Parental Firearm Permission Form Consent for Minor to Use Firearms & Live Ammunition

The State of California has enacted legislation that prohibits any person from furnishing, loaning, or otherwise providing a minor any firearm or live ammunition without the express permission of his or her parent or legal guardian. Your son/daughter will not be allowed on any shooting range without this signed release. It is necessary for you to give consent for your child to participate in the shooting sports activities.

By signing this consent form I do hereby give the minor named below permission as required by California Penal Code Sections 12552, 12070, 12072, 12078, et. Seq. to SIM Partners DBA Virtual Safe Shot, and to instructors established by Virtual Safe Shot to furnish a SIRT (Shot Indicating Resetting Trigger) type firearm, or CO2 Gun to said minor for the purposes of instructing him/her in the safe handling of firearms, safe shooting, and marksmanship. Approved Instructors include Certified Instructors and Range Safety Officers of the National Rifle Association. Instructors are meant to also include BSA certified instructors as well as POST certified active and retired officers serving as volunteer instructors.

I do further agree to indemnify and hold harmless SIM Partners BDA Virtual Safe Shot, and all officers, members, employees, and volunteers thereof, from all suits or actions brought for, or on account of, any injuries or damages received or sustained by any person or persons by or from the consequences of any negligence or any act or omission of the above named minor occurring during the course of said instruction.
